IT Support • Desktop Support • Cybersecurity

PROFESSIONAL SUMMARY

IT support professional with 15+ years of hands-on PC hardware, software, network, and end-user support. Holds the Google IT Support Professional Certificate and the IBM SkillsBuild Cybersecurity Certificate, and has completed CompTIA A+ exam preparation (Core 1 & Core 2). Led database management for a hospital research department, supervised a team of 16–20, and ran data systems and IT for Haiti's national field epidemiology program. Skilled in Windows 10/11, Active Directory, Microsoft 365, Microsoft Entra, hardware deployment, and network troubleshooting. Patient, clear communicator who writes user guides and trains staff. Fluent in English, French, and Haitian Creole.

TECHNICAL SKILLS

- **Desktop & hardware:** PC builds and repair, BIOS/CMOS, SSD/RAM and peripheral setup, printers, OS installation, imaging and deployment, malware removal
- **Systems:** Windows 10/11, macOS and Linux basics, Active Directory, Microsoft Entra ID, Microsoft 365 (Outlook, Teams, SharePoint), Chrome OS, Remote Desktop
- **Networking:** TCP/IP, DNS, DHCP, VLAN configuration, VPN, wireless networking, LAN setup and cabling, network monitoring
- **Security:** incident response, vulnerability management, security operations (SOC/SIEM concepts), cloud security, identity and access management, GRC and data privacy, phishing and malware recognition
- **Support:** help desk, incident triage, ticket documentation, remote and on-site support, user training, technical documentation
- **Data & tools:** database design, Excel, SPSS, Epi Info, NVivo, ArcGIS, HTML/CSS/JavaScript, n8n automation, AI tools

CERTIFICATIONS

Google IT Support Professional Certificate – Google / Coursera (6 courses) Dec 2025

IBM SkillsBuild Cybersecurity Certificate – IBM / University of the People Aug 2026

Credly badges: System & Network Security, Vulnerability Management, Cloud Security, Security Operations & Management, Incident Response & Systems Forensics, Governance, Risk, Compliance & Data Privacy

Preparation for CompTIA A+ Certification – IBM / Coursera (Core 1, Core 2, Practice Exams; exams not yet taken) Aug 2026

Getting Started with Microsoft Entra – Whizlabs / Coursera Dec 2025

AWS Cloud Practitioner Essentials (training course) – AWS Training & Certification Feb 2026

Certified ICT Network Installer (BATI program) – Inveneo May 2011

Data & research: FETP Intermediate Diploma, FETP/MSPP/CDC (2012) • Epi Info New Technologies, TEPHINET/CDC (2015, 40 h) • Epidemiology for Health Services, UFRGS Brazil (2015, 320 h) • Research Consultant, Universidad de Montemorelos (2015) • Qualitative Research, McGill University (2017) • Research Ethics, Québec MSSS (2019)

Also: Google AI Essentials (2024) • Prompt Engineering for ChatGPT, Vanderbilt University (2024) • Introduction to Software Engineering with Honors, IBM (2024)

PROFESSIONAL EXPERIENCE

Founder – IT Setup, Web & Automation Projects | CompumasterHaiti 2005 – Present

- Set up computers, small-office networks, printers, and software for clients; troubleshoot and repair hardware.
- Build and maintain websites (HTML/CSS/JavaScript) and workflow automations with n8n and AI agent tools.
- Compare vendor quotes, pricing, and support terms for hardware, software, hosting, and internet services.

Bus Operator | Chicago Transit Authority (CTA), Chicago, IL Feb 2024 – Feb 2026

- Operated city buses safely and on schedule; delivered courteous service to a high volume of riders.

Team Associate (Electronics) → Asset Protection Associate | Walmart, Delray Beach, FL Oct 2021 – Jul 2022

- Electronics: set up and troubleshot computers, phones, and devices for customers; explained technical details in plain language.
- Asset Protection (2022): monitored the store CCTV system and documented incidents.

Senior Epidemiologist & FETP-Frontline Coordinator – Public Health Data & IT | Ministry of Public Health (MSPP/DELR), Haiti 2017 – Sep 2020

- Senior Epidemiologist (CDC-funded, Oct 2019 – Sep 2020); coordinated FETP-Frontline epidemiology training cohorts with TEPHINET (2017–2020).
- Configured and maintained IT infrastructure in a resource-limited setting: network setup, Windows workstations, printers, and system administration.
- Designed and managed public health databases; cleaned, validated, and analyzed datasets in SPSS, Epi Info, and NVivo.
- Coordinated with equipment suppliers and service providers on quotes, repairs, and invoice checks.

ICT Network Installer (Inveneo BATI partner) | Léogâne, Haiti May 2011 – Jul 2013

- Installed, configured, and reconfigured wireless network links for clients, including a radio station and an NGO health office.
- Performed site surveys and signal checks for new clients, replaced cabling, and wrote intervention reports.

Epidemiologist & Head of Database Management | MSPP/DELR and Adventist Hospital of Haiti 2010 – 2014

- Managed research databases and data systems for a hospital research department; supervised a team of 16–20.
- Provided IT support to doctors, nurses, and research staff, keeping workstations and systems running.
- Wrote 4–6 technical user guides and trained staff on software and data-entry procedures; protected sensitive medical data.
- Epidemiological Surveillance Officer, MSPP West Department (2010–2014).

Teaching & Training | Haiti 2012 – 2019

- Professor of Epidemiology, Adventist University of Haiti (UNAH) and Université Lumière (2013–2019); FETP-Haiti mentor (2012–2015).
- Study evaluator for MSPP research projects with CAMH and Handicap International (2014–2016).

Earlier experience | Haiti 1994 – 2002

- Administrative Director with networking assistance and HR duties, Caribbean Air Mail (2000–2002).
- Assistant Supervisor, inventory management and data administration, NAFICO (1994–1999).

EDUCATION

Associate's Degree in Cybersecurity (in progress) – University of the People — Expected 2027

People & Business Leadership Essentials Certificate – Bellevue University — 2023

Computer Science coursework – Micro-lease, Haiti — 1994 – 1998

LANGUAGES

Haitian Creole (native) • French (fluent) • English (fluent) • Spanish (basic)
